

Curriculum Vitae

Name: Eleanor M Kellon, VMD
997 Texter Mtn Rd
Robesonia PA 19551
drkellon@gmail.com, drkellon@drkellon.com

Current Position:

Owner, Equine Nutritional Solutions, www.drkellon.com
Owner, Equine Cushing's and Insulin Resistance Group, <https://ecir.groups.io/g/main> (10,000 members)
Veterinary Consultant, Uckele Health and Nutrition, www.uckele.com.
Veterinary Advisor. Equine Cushing's and Insulin Resistance, Inc. www.ecirhorse.org.

Since 2008, teaching the following online equine health and nutrition courses (partial list) – over 6000 enrollees to date, www.drkellon.com

- ◆ NRC Plus – Basics of nutrition based on National Research Council recommendations
- ◆ Nutrition as Therapy
- ◆ Nutrition for the Performance Horse
- ◆ Management for Pregnancy and Growth
- ◆ Comprehensive Care of the Older Horse
- ◆ Cushing's and Insulin Resistance
- ◆ Nutritional Case Histories
- ◆ Understanding Blood Work
- ◆ Equine Arthritis and Other Lamenesses
- ◆ Feeding Dogs and Cats

Education:

University of Pennsylvania undergraduate, 1969 – 1972, with early entry in Veterinary Medicine Program
University of Pennsylvania School of Veterinary Medicine, 1972 – 1976, magna cum laude, V.M.D.
Internship Large Animal Medicine and Surgery, New Bolton Center, 1976 – 1977
Residency, Large Animal Internal Medicine, New Bolton Center, 1977 – 1979
